WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

STATEMENT

(In the space below, please provide the showing of unavoidable delay recited in paragraph 8 above.)

Dear Commissioner:

I am writing this statement to sincerely apologize to you for my failing to timely pay the maintenance fee for my patent, and kindly request that you hereby accept payment of such fee and reinstate my patent.

By way of background, I have been an amateur inventor since 1998. I hold two patents with your office.

I have also previously paid the maintenance fees for both of my patents when they came due in 2004 and 2005.

While in no way justifies my oversight, I failed to pay the maintenance fee in 2007 primarily because I was expecting to receive a payment notice.

Moreover, the last two (3) years have been particularly difficult for me, both mentally and physically, because I had to dedicate much of my time to caring for my mother, who was severely ill. She is currently receiving dialysis three times a week on an outpatient basis. Furthermore, I am also carrying for my spouse who is in constant need of medical care due to an on-going case of migraine head ache. I could supply medical documentations on the above two cases if you deem necessary.

Accordingly, I kindly implore you to excuse my indiscretion and to please reinstate my patent.

Thank you for your courtesy.

Very truly yours,
Shawn Omrani
